Shall the Authority Authorize the Executive Director to Extend a Right of Entry for Hawaiian Dredging Construction Company for an Additional Two (2) Years for an Approximately One-Acre Portion of Tax Map Key No. (1) 2-1-060: 002 (Por.) Commonly Referred to as the Former City and County Wastewater Lot in Accordance with the Terms and Conditions Recommended by the Hawaii Community Development Authority Staff Report?

Staff Report
June 3, 2015

Background: On August 3, 2012, the original Right-of-Entry (“ROE”) was issued to Hawaiian Dredging Construction Company (“HDCC”), for a construction base yard for HECO Ductline Project from Fort Street to Kalakaua Avenue and other smaller projects in the Honolulu area. The parcel is the former City and County of Honolulu Department of Wastewater Management Lot at the corner of Koula and Olomehani Street TMK: (1) 2-1-060: 002. The lot has been identified as containing contaminated soil and/or groundwater by the Hawaii Department of Health, Long-Term Management of Petroleum Contaminated Soil and Groundwater June 2007 report. Due to the soil contamination the lot has limited capacities without major investment in remediation. The lot has been covered with 6-inches of gravel to encapsulate the contamination to the satisfaction of the Department of Health for base yard use.

The right of entries HDCC has received from the Hawaii Community Development Authority (“HCDA”) since August 2012 for the lot are outlined below:

The monthly rent decreased from $10,000.00 (~$0.23 sf) to $2,000.00 (~$0.47 sf) because HDCC project was delayed. The HCDA has struggled with leasing this lot due to area homeless, site contamination, and the gravel fill.

Since 2012, HDCC has brought their own water connection for their two (2) portable office trailers and actively maintains security and the 6-inch gravel encapsulation for the lot.
HDCC use has been ideal, primarily for the storage of construction materials resulting in low traffic and minimal disturbance of the gravel cap.

Long-term leasing prospects have also been limited due to required remediation.

**Discussion:** The HCDA has negotiated a rent increase with HDCC closer to market rents for base yards in Kakaako Makai. As of July 2015 HDCC will pay $6,500.00 per month (~$0.15) for the same area and terms as previous rights of entry. The ROE will also require one month’s worth of rent as a refundable-security deposit. The full draft of the proposed ROE is attached in Exhibit A and includes the standard terms and conditions.

The HCDA continues to look for possible development opportunities that align with the Kakaako Makai Master Plan. The ROE will include a re-development clause, allowing the HCDA to terminate the ROE early with six (6) month advance written notice.

**Recommendation:** Staff recommends that the Authority authorize the Executive Director to extend a Right of Entry for Hawaiian Dredging Construction Company for an additional two (2) years for an approximately one-acre portion of Tax Map Key Parcel No. (1) 2-1-060: 002 (Por.) commonly referred to as the former City and County Wastewater Lot in accordance with the terms and conditions recommended by the Hawaii Community Development Authority staff report.

Attachment: Exhibit A – Draft Revocable Right of Entry (ROE 08-15)
REVOCAIBLE RIGHT OF ENTRY (ROE 08-15)

By this agreement executed this _______ day of June 2015, the HAWAII COMMUNITY DEVELOPMENT AUTHORITY (“HCDA”), a body corporate and a public instrumentality of the State of Hawaii, hereby grants to Hawaiian Dredging Construction Company (“HDCC”) (collectively, “Parties”) a nonexclusive right of entry upon and subject to the following terms and conditions:

5. **Acknowledgement of Use By Other Persons.** HDCC acknowledges that other persons or entities have the right to enter and/or use the Premises with the approval of HCDA, and with the exception of the uses specified in paragraph 4 above, shall not otherwise interfere with their use and enjoyment of the Premises.

6. **Due Care and Diligence.** HDCC will exercise due care and diligence in entering upon the Premises and will not disrupt or disturb in any way or in any manner whatsoever the activities customary to the operations of HCDA or its agents, and HDCC shall exercise due care for public safety. At all times during the term of this ROE and upon the termination of this ROE, HDCC shall be responsible for: (a) removing any
debris or trash deposited by Permitted Persons on the Premises; (b) repairing any damage to the Premises caused by its use by Permitted Persons; and (c) restoring the Premises to its original or better than original condition. This provision shall survive the termination of this ROE.

7. **Indemnity.** HDCC shall defend, indemnify and hold harmless HCDA and the State of Hawaii, and their respective officials, directors, members, employees, and agents from and against any and all claims, actions, penalties, damages, liabilities, costs and expenses for loss or damage, including property damage, personal injury and wrongful death, based upon or arising out of or in connection with: (a) HDCC’s breach of this ROE; (b) a Permitted Person’s tortious conduct or violation of law; (c) any injury sustained or suffered by a Permitted Person while on the Premises; and (d) any other act or omission in any way relating to or arising out of this ROE (collectively, “Covered Claims”). This provision shall survive the termination of this ROE.

   Commercial General Liability:

Notwithstanding said policy or policies of insurance, HDCC shall be obligated for the full and total amount of any damage, injury, or loss caused by negligence or neglect connected with this ROE.

(g) HDCC shall keep such insurance in effect and the certificate(s) on deposit with HCDA during the entire term of this ROE. Upon request by the HCDA, HDCC shall furnish a copy of the policy or policies.

(h) Failure of HDCC to provide and keep in force such insurance shall be regarded as a material default under this ROE and HCDA shall be entitled to exercise any or all of the remedies provided in this ROE for default of HDCC.

(i) HCDA is a self insured State agency. HDCC’s insurance or self-insurance shall be primary. Any insurance maintained by the State of Hawaii shall apply in excess of, and shall not contribute with insurance provided by HDCC.

HCDA reserves the right to inspect and review all coverage, form, and amount of the insurance required by the above. If, in HCDA’s sole discretion, the above insurance does not provide adequate protection for HCDA, it may require HDCC to obtain insurance sufficient in coverage, form, and amount to provide adequate protection.

9. **Condition of Premises/Assumption of Risk.** HDCC hereby agrees and acknowledges that HCDA has not made any representation or warranty, implied or otherwise, with respect to the condition of the Premises, including any dangerous or defective conditions existing in or on the Premises, whether or not such conditions are known to HCDA or reasonably discoverable by HDCC. HDCC agrees that HCDA shall not be held responsible for any injury or damage to HDCC or Permitted Persons due to the presence of hazardous materials on or in the Premises. HDCC further agrees that any property left on the Premises during the term of this ROE shall be left there at the sole risk of HDCC.
10. **Compliance with Laws and Regulations.** HDCC shall, at all times during the term of this ROE, observe and comply with all applicable laws, rules and regulations, whether County, State or federal, including but not limited to, the laws applicable to the use of the Premises and the securing of any and all necessary governmental and other approvals and permits for use of the Premises.

11. **Prohibited Use.** Any use of the Premises not authorized in Paragraph 4 above shall constitute a material breach of this ROE and upon such breach, HCDA may terminate this ROE forthwith without notice and pursue any other remedies to which HCDA is entitled to by law or under this ROE.

12. **Improvements:** HDCC shall not construct any improvements of any kind or nature upon the Premises or any other properties of HCDA without HCDA’s express prior written consent, which consent may be granted or withheld in HCDA’s sole discretion. Any improvements, including but not limited to structures, erected on or moved onto the Premises by HDCC shall remain the property of HDCC and HDCC shall have the right, prior to the termination or revocation of this ROE, or within an additional period HCDA may allow, to remove the improvements from the Premises; provided, however, that in the event the HDCC shall fail to remove the improvements prior to the termination or revocation of this ROE, or within an additional period, HCDA may, in its sole discretion, elect to retain the improvements or may remove the same and charge the cost of removal and storage, if any, to HDCC. This provision shall survive the termination of this ROE.

13. **No Lien.** HDCC shall not: (a) create, incur, or assume any attachment, judgment, lien, charge, or other encumbrance on the Premises or any improvements thereon; or (b) suffer to exist any such encumbrance other than one created, incurred, or assumed by HCDA.

14. **Non-transferrable.** This ROE or any rights hereunder shall not be sold, assigned, conveyed, or otherwise transferred or disposed of without HCDA’s express prior written consent.

15. **Additional Terms and Conditions.**

   (a) HDCC shall pay HCDA a usage fee of $6,500 per month during the term of this ROE. Payments are due on the 1st day of each month with checks payable to the HCDA.

   (b) HDCC shall provide a Security Deposit to HCDA in the amount of $6,500 which shall be refundable to HDCC upon termination of the ROE after both HCDA and HDCC have conducted a walkthrough of the Premises and HDCC has restored the Premises to a condition meeting HCDA’s satisfaction.
(c) No one may reside on the premises, and the premises may not be accessed for any other purpose except as authorized.

(d) Animals, plants, rocks, dirt, asphalt and other materials that are on or part of the Premises shall not be harmed or removed from the Premises.

The HCDA has taken measures to encapsulate the soil to the satisfaction of the Department of Health and has obtained its approval for HDCC’s use of the Premises as described in paragraph 4 above. The Premises has been covered with 6 inches of gravel to encapsulate the contamination. The gravel shall not be removed for any reason during the term of this ROE. If, at any time, the 6-inch level of gravel is disturbed or is reduced to a level less than 6 inches, HDCC shall immediately notify the HCDA. Attached is a summary of the Environmental Hazardous Plan and identified as Unit 2, for your review. A complete report of the report is available for review at the HCDA Office during normal business hours, Monday through Friday from 7:45am to 4:30pm except for State Holidays. HDCC must return the parcel back to its original status and replace the gravel with similar or identical gravel to the satisfaction of the HCDA.

(f) The HDCC shall install a fence to utilize as ingress/egress access from Olomehani Street as their primary access to the property. The HDCC shall bear all costs incurred in the construction/installation of the fence and shall obtain the proper permits to install the fence. When HDCC vacates the property, the fence will become the property of HCDA.

(g) If HDCC continues to enter or remain on the Premises after the Termination Date, HDCC shall pay HCDA as liquidated damages $500.00 for each calendar day (or part thereof) that such unlawful entrance and occupation of the Premises continues beyond the Termination Date. Such damages are not a penalty, but rather are reasonable estimates of the losses that HCDA would suffer and that the Parties acknowledge would be difficult to ascertain under the circumstances triggering the damages and are HCDA’s exclusive remedy, other than equitable relief (such as an injunction barring HDCC from entering and remaining on the Premises) or legal relief (in the form of eviction of HDCC from the Premises or similar legal relief, but not damages) for such entrance or use.
(g) HCDA reserves the right to impose additional terms and conditions, if deemed necessary.

16. **Termination.** HCDA may terminate this ROE at any time by notice to HDCC in accordance with Paragraph 17 below.
