

KALAELOA INVESTIGATIVE COMMITTEE

2015 PRIORITIES

May 11, 2015

PRIORITY	DESCRIPTION	COMMENTS/ACTIONS
Projects	1) Prioritize Kalaeloa projects and communicate these priorities to Kalaeloa stakeholders.	
	2) Infrastructure is a top priority.	
	3) Preservation is a priority, including Kalaeloa's natural, archaeological and cultural resources.	
Authority	1) Provide reports and information to the Authority at least five working days prior to the Authority meeting to enable meaningful participation and informed decisions.	
	2) Provide status updates to the Authority so that members are aware of news before it is reported or circulated to the public.	
	3) Form an Authority investigative committee to develop recommendations aimed at increasing the Authority's organizational efficiency.	
Community	1) Coordinate and collaborate with Kalaeloa community partners to identify opportunities and methods to increase public awareness of Kalaeloa.	1) Distribute KAL Status Report to Neighborhood Board Commission, post on HCDA website and Kalaeloa publications.
		2) Support existing KAL community initiatives, projects and plans.
		3) Be responsive and flexible to KAL stakeholders needs.
Staff & Operations	1) Promote "360 degree" communication between staff and the Authority.	
	2) Support training and networking opportunities for staff and the Authority.	
	3) Provide technology and equipment for the Authority and staff; implement remote access technologies.
