Interim Executive Director  
Hawaii Community Development Authority (HCDA)  
547 Queen Street  
Honolulu, HI 96813

Dear Mr. Los Banos:

We are writing to request your approval to sell our reserved housing unit at Pacifica Honolulu, Apt. 805. We understand that we are still within the applicable 5-year Buy-Back period.

We are living in this unit with our two young boys—two and six years old. Leqi's parents, who have recently received their permanent residency, are planning to live with us to care for their grandchildren. We understand that occupancy of this two-bedroom reserved unit should be no more than five persons, therefore, we will need a larger space for our growing family.

May we please ask for your waiver of the "first-right-of-refusal" for our reserved unit? Thank you very much for your understanding.

If you have any questions, we can be reached by cell 808-639-8601, 808-722-5945 or email [jpacific808@yahoo.com](mailto:jpacific808@yahoo.com).

Sincerely,

  
Leqi & George Pang
