

**NOTICE OF AREA ROAD WORK
FOR
BOARD OF WATER SUPPLY WATERMAIN UPGRADE
ON
QUEEN STREET BETWEEN COOKE STREET AND CUMMINS STREET**

As required by the Hawaii Community Development Authority (HCDA) and the Board of Water Supply (BWS), Ward Village will be upgrading the existing 6" potable waterline to a 12" potable waterline. This construction work will happen along Queen Street between Cooke Street and Cummins Street and then continue to Cummins Street. This watermain upgrade is required for compliance with Fire Life Safety and Property Fire Protection needs of the area. The project is estimated to commence the week of September 27th and start at the intersection of Queen Street and Cooke Street.

Koga Construction will be performing this watermain upgrade in accordance and with approval from the State Department of Health. Construction is permitted to occur Sundays 7:00pm to midnight, Mondays to Thursdays midnight to 6:30am and 7:00pm to midnight and Fridays midnight to 6:30am. No holiday work is permitted. For additional information, please contact Ward Village, Naona Ferreira at (808) 426-7745 or naona.ferreira@howardhughes.com.

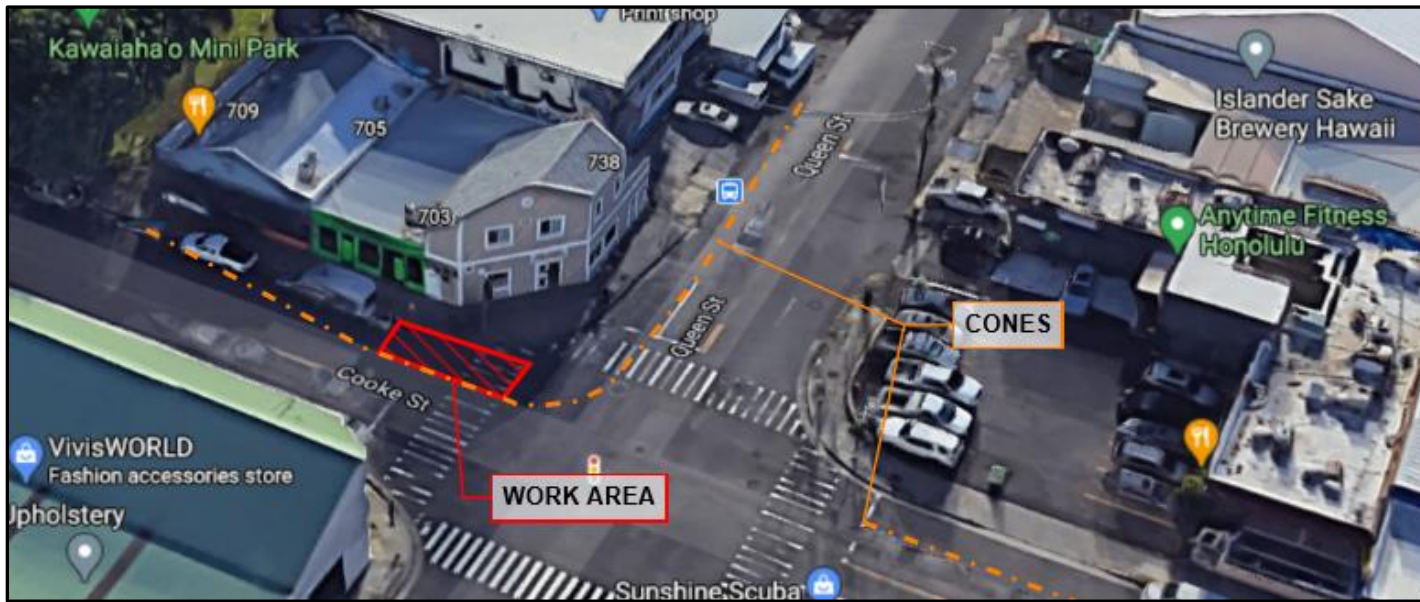

WARD VILLAGE.
