

JOHN L. SHAW

733 Bishop St., Suite 1400, Honolulu, HI, 96813

EXPERIENCE

MARCH 1981 TO PRESENT

GENTRY HOMES, LTD.

SENIOR VICE PRESIDENT / CHIEF ARCHITECT

Hired in 1981 as an Architectural designer and production manager primarily for residential housing design, site planning and light industrial projects.

Promoted to Chief Architect in 1990 responsible for the management of the Architectural Department and staff, product and site design, construction documents, permitting and coordination.

Promoted to Vice President / Chief Architect in 1993. In addition to the above responsibilities, I was appointed Senior Manager of Customer Service.

Promoted to Senior Vice President / Chief Architect in 2002. In addition to the above responsibilities, I was replaced as Senior Manager in Customer Service in 2019 to focus more time on land negotiation and acquisition.

JUNE 1974 TO MARCH 1981

ERNEST HARA F.A.I.A. AND ASSOCIATES

DESIGNER, PRODUCTION DOCUMENTS AND FIELD ARCHITECT

Primary responsibilities included design and preparation of construction documents for high-rise condominiums and business building projects as well as other projects including Waikiki Shopping Plaza, Punahou athletic facility, and Phase 2 of the Hawaiian Regent Hotel. I was also responsible for being the architectural Field Representative for all projects under construction for my 7 years of employment.
