Various Agricultural Project Sites in Kailua-Kona, island of Hawaii farmland and facilities

The Agribusiness Development Corporation (ADC) will conduct a limited meeting and site visit to various agricultural project sites in Kailua-Kona, island of Hawaii farmland and facilities.

The November 20, 2025 limited meeting and site visit locations and approximate times are outlined below. The purpose of the limited meeting and site visit is to help educate ADC board members regarding various agricultural projects in and around Kailua-Kona, island of Hawaii farmland and facilities agricultural project areas and understand how these properties and projects fit into ADC's strategic plan. The limited meeting is necessary because some of the locations of the site visits is on privately controlled property currently in active production and the general public cannot be reasonably accommodated. Site activity, access through privately owned property, and unpredictable footing conditions could pose a danger to health and/or safety. While four-wheel drive vehicles will not likely be required, site accessibility may be dependent upon weather and off-road conditions. The limited meeting and site visit will not be audibly recorded.

NOTE: MATERIALS FOR THIS AGENDA WILL BE AVAILABLE FOR REVIEW IN THE ADC OFFICE, 235 S. BERETANIA STREET, SUITE 205, HONOLULU, HAWAII 96813 ON AND AFTER November 17, 2025.
