

HAWAII COMMUNITY DEVELOPMENT AUTHORITY

# KAKA`AKO COMMUNITY DEVELOPMENT DISTRICT TOD OVERLAY PLAN

DRAFT

May 20, 2013

# Lee Sichter LLC

# TABLE OF CONTENTS

<b>1 INTRODUCTION</b> .....	<b>1-1</b>
Project Purpose .....	1-1
Project Background/Context .....	1-3
Kaka`ako's Diverse Neighborhoods .....	1-6
TOD Overlay Plan Format .....	1-9
<b>2 GUIDING PRINCIPLES</b> .....	<b>2-1</b>
Kaka`ako Community Development District: A Sustainable Community .....	2-1
Project Goals and Objectives .....	2-1
<b>3 LAND USE</b> .....	<b>3-1</b>
Future Land Use: Creating Complete Connected Neighborhoods .....	3-1
District Character: Encouraged Land Use Types .....	3-5
Parking, Land Use, and Density Controls .....	3-8
Achieving TOD: District Opportunities and Challenges .....	3-10
TOD Catalysts and Joint Partnerships .....	3-18
<b>4 URBAN DESIGN</b> .....	<b>4-1</b>
Urban Design Framework .....	4-1
Building Elements: Street, Middle and Tower .....	4-12
New Building Types .....	4-14
Parks, Public Realm and Active Space .....	4-20
<b>5 MOBILITY AND ACCESS</b> .....	<b>5-1</b>
How Transportation Supports the KCDD Vision .....	5-1
Current Transportation Systems and Use .....	5-4
Mobility and Access in Kaka`aka Today .....	5-6
Mobility and Access Strategies .....	5-12
Connectivity .....	5-13
Pedestrian .....	5-25
Transit Circulation .....	5-35
Bicycle .....	5-51
Auto .....	5-71
<b>6 COMPLETE STREETS IN KAKA`AKO</b> .....	<b>6-1</b>
Creating Multi-Purpose Streets .....	6-1
Why Complete Streets For The KCDD? .....	6-3
Integrating Land Use and Street Design .....	6-8
Street Design Principles .....	6-9
<b>COMPLETE STREET TYPES</b> .....	6-14
Intersection Design Principles .....	6-17
Quality of Service Performance Standards .....	6-22
Strategies and Tools to Implement Complete Streets and Intersections .....	6-27
<b>7 HART STATIONS AND ACCESS</b> .....	<b>7-1</b>
Integrating Rapid Transit in the Kaka`ako District .....	7-1
Station Area Principles: Place, People, and Performance .....	7-1
Access Demand .....	7-3
Overall Access Strategies .....	7-4
Station-Specific Access Strategies and Actions .....	7-9
Station Integration Opportunities .....	7-19
Urban Design and TOD Impacts of Elevated Rail .....	7-25

DRAFT

**8 PARKING & TRANSPORTATION DEMAND MANAGEMENT .....8-1**  
    Role of Parking .....8-1  
    Parking Policies and Incentives..... 8-5  
    Transportation Demand Management Programs..... 8-14

APPENDIX A: STRATEGIES & ACTIONS

APPENDIX B: RECOMMENDED RULE CHANGES

# TABLE OF FIGURES

Figure 1-1 Elements of Transit-Oriented Development in KCDD ..... 1-1

Figure 2-1 The 6 “Ds” of Transit-Oriented Neighborhood Design ..... 2-3

Figure 3-1 TOD Overlay Area Eligible for Proposed Capacity Increases ..... 3-3

Figure 3-2 Kaka`ako District Density ..... 3-4

Figure 3-3 Relationship of Parking Location and Building Form ..... 3-8

Figure 3-4 Kaka`ako District Development Activity ..... 3-14

Figure 3-5 Property Consolidation ..... 3-16

Figure 3-6 Land-to-Improvement Value ..... 3-16

Figure 3-7 TOD Selected Sites and Catalyst Properties ..... 3-17

Figure 4-1 Maximum Heights ..... 4-3

Figure 4-2 Building Siting and View Preservation ..... 4-4

Figure 4-3 Proposed Build-Out under TOD Overlay Plan ..... 4-5

Figure 4-4 Mauka Area Rules Build-Out ..... 4-5

Figure 4-5 Designated Mauka Makai View Corridors and Streetend Vistas ..... 4-6

Figure 4-6 Typological Block Development (120,000 SF consolidated lot) ..... 4-7

Figure 4-7 Street Elements ..... 4-13

Figure 4-8 Public Open Spaces in KCDD ..... 4-21

Figure 4-9 Conceptual Plans for Mother Waldren Park ..... 4-22

Figure 5-1 Modal Hierarchy ..... 5-3

Figure 5-2 Pedestrian Elements of a Complete Street ..... 5-4

Figure 5-3 Pedestrian Volumes in the KCDD (2013 PM Peak Hours) ..... 5-6

Figure 5-4 Transit Service and Average Daily Boardings in the KCDD (2013) ..... 5-7

Figure 5-5 Bicycle Volumes in the KCDD (2013 PM Peak Hours) ..... 5-9

Figure 5-6 Traffic Volumes in the KCDD (2013) ..... 5-10

Figure 5-7 Parking in the KCDD ..... 5-11

Figure 5-8 Intersection Density in KCDD ..... 5-15

Figure 5-9 Current KCDD Street Grid and Potential Future Connections ..... 5-16

Figure 5-10 Pedestrian Priority Streets in the KCDD ..... 5-26

Figure 5-11 Transit Priority Streets ..... 5-36

Figure 5-12 HART Rapid Transit Stations and Approximate Network Walk Times ..... 5-37

Figure 5-13 Local Circulator Options ..... 5-40

Figure 5-14 Roadway and Intersection Treatments for Transit Reliability ..... 5-42

Figure 5-15 Cycling Priority Streets ..... 5-53

Figure 5-16 Potential Cycle Track on Halekauwila ..... 5-56

Figure 5-17 Evaluation Criteria for Analyzing Bike Share Market Potential ..... 5-61

Figure 5-18 Criteria for Siting Bike Share Stations ..... 5-62

Figure 5-19 Bike Share Propensity and Potential Generators ..... 5-64

Figure 5-20 Street Priorities for Vehicular Travel ..... 5-72

Figure 6-1 KCDD Modal Hierarchy ..... 6-10

Figure 6-2 KCDD Complete Street Typology ..... 6-15

Figure 6-3 KCDD Street Type – Land Use Relationship ..... 6-16

Figure 6-4 Common Intersection Elements ..... 6-18

Figure 6-5 Common Intersection and Crossing Types ..... 6-19

Figure 6-6 Visibility Impacts of One-Way and Two-Way Roadway Operation ..... 6-29

Figure 6-7 Range of Intersection Size in Kaka`ako ..... 6-30

Figure 6-8 Different Approaches to Simplifying Complex Intersections ..... 6-30

Figure 7-1 Station Access Principles and Objectives .....7-2

Figure 7-2 Station Access Principles at Civic Center Station .....7-3

Figure 7-3 HART Station Access Hierarchy .....7-3

Figure 7-4 Opening Day and 2035 Ridership at KCDD HART Stations .....7-4

Figure 7-5 Kaka`ako Station Access and Circulation ..... 7-9

Figure 7-6 Spatial Needs for Bike Share at Kaka`ako HART Station  
(Opening Year and 2035)..... 7-11

Figure 7-7 Sample Station Dimension for 11 Dock Bike Share Station..... 7-11

Figure 7-8 Sample Double-Sided Bike Share Station..... 7-11

Figure 7-9 Civic Center Station Access and Circulation .....7-13

Figure 7-10 Spatial Needs for Bike Share at Civic Center HART Station  
(Opening Year and 2035).....7-15

Figure 7-11 Connectivity Improvements for Downtown HART Station Area.....7-17

Figure 7-12 Kaka`ako Station at Ward Center .....7-19

Figure 7-13 Civic Center Station Vision and Opportunities.....7-21
