Mr. Anthony J. H. Ching, Executive Director
Hawaii Community Development Authority
677 Ala Moana Boulevard, Suite 1001
Honolulu, Hawaii 96813

Dear Mr. Ching:

Subject: Discharge into City and County of Honolulu MS4
Kakaako Community Development District

This is in response to your November 6, 2008 request to discharge into the City's storm drain system.

We, hereby, approve the discharge of storm water runoff from the drainage structures owned by HCDA into the City-owned storm drainage system pursuant to the provisions under Section 14-12.12 of the Revised Ordinances of Honolulu (ROH), as amended. The City is not responsible for verifying the accuracy of the information provided on the attached List of HCDA Drainage Structures.

Our authorization does not, in any way, imply acceptance of the private drainage facility or roadway for dedication purposes. All the conditions of the City storm drain connection license agreement in Section 14-12.12(b) of the ROH shall be in effect. HCDA shall remain responsible for maintenance and repair of the privately-owned drainage facilities.

If there are any questions, please contact Ms. Dawn Kimura of our Site Development Division at 768-8106.

Very truly yours,
