Kamehameha IV Road Right Sizing (April 2016)
The Opportunity: Urban Honolulu is Transforming

- Rail
- Transit Oriented Development
- Housing Crisis
- Increased Density
- Infrastructure Improvements
- Bike Share
The Need: Who Benefits?

Complete Streets supports:
- Public Health
- Transportation Equity
- Smart Growth
- Economic Development
- Safety and Accessibility
Five miles of bikeways
Next Steps

- Complete Streets planning contract initiated for roadways in the urban core.
- Includes roads in Kakaako to look at near term improvements possible.
- Data collection and outreach to start in next couple of months.
- Deliverable of conceptual designs to be phased, starting later this year, through early 2018.
- The City has contracts in line to complete the planning and design of these corridors over next 3 years.
- Opportunity exists for HCDA to act on conceptual design for possible design/build contract.
MAHALO
