BACKGROUND:

Since the adoption of the Kalaeloa Community Development District Master Plan (KMP) in 2006 and the adoption of the Hawaii Administrative Rules, Title 15, Chapter 215, entitled Kalaeloa Community Development District Rules in 2012 the following significant changes have occurred:

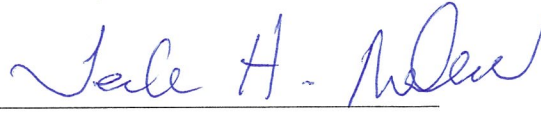

- Major regional development and infrastructure projects have been completed i.e. the completion of Kualaka`i and Kapolei Parkways, the widening of Geiger Road, the development of the Ka Makana Ali`i Shopping Center Phase I, the development of the KROC Center and Costco;
- The U.S. Navy (Navy) has conveyed an estimated 300 acres to State and private land ownership, and the Navy anticipates the conveyances of another 500 acres to be conveyed by the end of 2019;
- Over 100 acres formerly known as Marine Corp Air Station Ewa Field (Ewa Field) is considered a site of a significant battle event. Ewa Field is now on the National Register of Historical Places; and
- The ownership of Enterprise Avenue and Franklin Delano Roosevelt west of Enterprise Avenue is now owned by the HCDA.

In addition to the significant changes listed, market trends, county subdivision requirements, traffic shifts and other regional developments warrant the need for an updated analysis of the current Kalaeloa Plan and Rules.

RECOMMENDATION:

HCDA staff recommends that the Authority authorize the Executive Director to release and expend CIP funding as appropriated by the 2018 Hawaii State Legislature for the update of the Kalaeloa Community Development District Plan and Rules Kalaeloa, Oahu, Capital Project No. KL01, as Authorized by Act 49, SLH 2017 as amended by Act 53, SLH 2018, Item 5-A24.01 in the Amount not to Exceed \$500,000.00?
