II. Asset/Land/Property Management

A. Kauhale Kakaako Parking Garage RFP Update

1. The Evaluation Committee met on December 11, 2018 to rank and evaluate the five proposals that were received and of those proposals, Diamond Parking Service provided the best value to the HCDA. Diamond Parking’s proposal included:
   a. automating the garage ticketing and payment equipment so that the garage can be open to the public 24 hours a day, 7 days a week; and
   b. various improvement projects such as surveillance cameras, new LED lighting, complete garage repainting, and rebranding/marketing.

Diamond Parking will charge a $950 monthly management fee, plus a 15% incentive fee based upon improvement in net operating surplus over the approved annual operating budget or prior operator performance.

HCDA will pay the following improvement costs in accordance with Diamond Parking’s proposal:
- $162,673 for Automated Garage Equipment
- $104,879.54 for LED Garage Lighting
- $287,000 for Complete Garage Painting
- $54,226.58 for Surveillance Cameras
- $10,000 for Garage Signage and Branding

The contract with Diamond Parking Service was effective on January 1, 2019. The first phase of garage improvements will be scheduled in the coming months.
B. Transfer of Kakaako Lands to the City and County of Honolulu

1. On December 5, 2018, the City Council of the City and County of Honolulu approved Resolution 18-149, CD1 entitled,

"RESOLUTION AUTHORIZING ACCEPTANCE OF THE DEDICATION AND TRANSFER OF VARIOUS PARCELS AND REMNANT ROADWAYS FROM THE HAWAII COMMUNITY DEVELOPMENT AUTHORITY IN THE KAKAAKO COMMUNITY DEVELOPMENT DISTRICT TO THE CITY AND COUNTY OF HONOLULU."

The Council requested the following action be taken by HCDA:

"BE IT FURTHER RESOLVED that the HCDA is requested to provide the Council with a report not later than December 31, 2018, on the expenses and revenues related to the operations and maintenance of the HCDA Lands, and on any existing terms and conditions, or covenants that run with the HCDA Lands that may place duties or obligations upon the City."

See Exhibit A: Resolution 18-149, CD1.

C. Kakaako Waterfront Park/Kakaako Makai Gateway Park/Kewalo Basin Park

1. Per the landscaping contract, the grass was cut on November 12, 2018 and again on November 26, 2018 in accordance with the 2-week grass cutting schedule. The coconut trees were also trimmed on October 29, 2018 in accordance with the 4-month tree trimming schedule.

2. The HCDA continues to work with the City and County of Honolulu Department of Parks and Recreation to manage the parks and permit future events. In November 2018, the HCDA permitted two events. The Film Office received a permit for filming and the Children’s Discovery Center received a permit for their Keiki Swap meet. Per City guidelines, only alcohol-free, non-commercial events held by non-profit organizations are currently allowed at the Kakaako Makai parks.

3. Two vehicles were towed for violating parking rules. One vehicle was towed from Kakaako Waterfront Park and one from Kewalo Basin Park.
D. **Reserved Housing**

1. In December 2018, there were no subordination approvals granted to refinance an existing mortgage on a reserved housing unit. One subordination approval is currently pending legal review.

2. In December 2018, there were three requests to sell a reserved housing unit during its regulated term, thereby triggering the first option to purchase by HCDA. The unit owners now have the option to proceed with selling their unit to the HCDA or remaining in their unit.

3. In December 2018, there were no Releases of Unilateral Agreement (allows a Reserved Housing unit owner to pay off its shared equity to HCDA upon the sale of a unit outside the regulated term). Two completed Releases of Unilateral Agreement are currently pending legal review.

4. In December 2018, there were 18 inquiries relating to Reserved Housing Rules and Regulations.

E. **Right of Entry Agreements**

There were 15 active Right of Entry agreements through December 2018. See Exhibit C.

F. **Act 009 2018 Session Laws of Hawaii (Private Roads)**

Pursuant to Act 009 of the 2018 Session Laws of Hawaii, HCDA’s Executive Director issued a Notice of Violation (NOV 02-2018) to Kakaako Land Co, LLC. The owners purport to own all or portions of Cummins, Kawaiahao, Clayton, Queen and, Ilaniwai streets within the Kakaako Community Development District. Portions of these streets are being used for parking and the owners are charging a parking fee.

The NOV requires the owners to cease charging a fee for parking on the above streets until they are made to conform to and are maintained to meet the construction and maintenance standards established for county highways, pursuant to HRS Section 46-1.5(19)(A) and Section 265A-1.

If the violation is not corrected by January 14, 2019, there is a fine of $500 per day per violation. See Exhibit D.

WHEREAS, the parcels of land also include the following, which are more particularly described in Exhibit C, attached hereto: Mother Waldron Park, including Lana Lane (collectively, the "Mauka Park Parcels"); and

WHEREAS, the parcels of land include certain remnant roadway parcels mauka of Ala Moana Boulevard, which are described in Exhibit D, attached hereto (collectively, the "Mauka Roadway Parcels"); and
RESOLUTION

WHEREAS, the City Council ("Council"), by Resolution 18-91, urged the City Administration to negotiate and discuss with HCDA the transfer to the City of the Children’s Discovery Center property, which is a parcel of land situated within the Makai Park Parcels, such parcel being described as Tax Map Key ("TMK") No. 1-2-1-060-017, with a street address of 111 Ohe Street, Honolulu, Hawaii, and having approximately 1.2 acres; and

WHEREAS, the Makai Park Parcels, the Makai Roadway Parcels, the Mauka Park Parcels and the Mauka Roadway Parcels are herein sometimes collectively called the “HCDA Lands”; and,

WHEREAS, the Council has concerns with any duties or obligations the City may incur with respect to any recurring costs related to the operation and maintenance of the park properties and roadway remnants, and any existing terms and conditions, or covenants that may run with the properties, which may place additional burdens upon the City; and

WHEREAS, in light of the Council's concerns, the HCDA is requested to provide a report on the expenses and revenues related to the operations and maintenance of the HCDA Lands, and on any existing terms and conditions, or covenants that run with the HCDA Lands that may place duties or obligations upon the City; and

WHEREAS, the Department of Parks and Recreation is requested to review all existing State rules applicable to the HCDA Lands, including but not limited to HCDA’s rules or other long-standing State rules, compare them against the City’s park rules, and provide a report on which HCDA rules the Department of Parks and Recreation would consider continuing; now, therefore,

BE IT RESOLVED by the Council of the City and County of Honolulu that the Council hereby authorizes the Mayor, through the Department of Parks and Recreation, as to the Makai Park Parcels and the Mauka Park Parcels, and the Department of Facility Maintenance and the Department of Land Management, as to the Makai Roadway Parcels and the Mauka Roadway Parcels, to accept the dedication and transfer of all or a portion of the HCDA Lands from HCDA, upon such terms, covenants and conditions as are acceptable to the Department of Parks and Recreation, the Department of Facility Maintenance, and the Department of Land Management including, without limitation (1) accepting the transfer of the Makai Park Parcels and the Makai Roadway Parcels before accepting the transfer of the Mauka Park Parcels and the Mauka Roadway Parcels, and (2) requiring the HCDA to keep in place service contracts acceptable to the Department of Parks and Recreation, the Department of Facility Maintenance, and the Department of Land Management until the respective date(s) of closing; and
RESOLUTION

BE IT FURTHER RESOLVED that the Mayor, the Director of Parks and Recreation, the Director of Facility Maintenance, or the Director of Land Management is hereby authorized to negotiate and execute the terms of such transfers; to prepare and finalize all deeds, dedications, and transfer documentation; and to take all such other actions as are necessary or desirable to complete the transfer of the HCDA Lands; and

BE IT FURTHER RESOLVED that the HCDA is requested to provide the Council with a report not later than December 31, 2018, on the expenses and revenues related to the operations and maintenance of the HCDA Lands, and on any existing terms and conditions, or covenants that run with the HCDA Lands that may place duties or obligations upon the City; and

BE IT FURTHER RESOLVED that the Department of Parks and Recreation is requested to provide the Council with a report not later than December 31, 2018, on the existing State rules that are applicable to the HCDA Lands, and which State rules the department would recommend to continue to apply to the HCDA Lands after title in the subject lands has been transferred to the City; and
RESOLUTION

BE IT FINALLY RESOLVED that copies of this Resolution be transmitted to the Office of the Governor, the Hawaii Community Development Authority and its Board, the Mayor, the Department of Parks and Recreation, the Department of Facility Maintenance, and the Department of Land Management.

HCDA Authorization of Kakaako Lands Transfer
June 18, 2018

The Honorable Kirk Caldwell
Office of the Mayor
City and County of Honolulu
530 South King Street, Room 300
Honolulu, Hawaii 96813

Dear Mayor Caldwell,

Re: HCDA Authorization of Kakaako Lands Transfer

At the May 2, 2018 meeting of the Hawaii Community Development Authority (HCDA), the Authority authorized the land transfer of various HCDA park parcels, remnant roads, and the Children’s Discovery Center in the Kakaako Community Development District to the City and County of Honolulu. Minutes to this board meeting and the accompanying staff report are attached hereto as Exhibits A and B, respectively.

The Authority understands that while this is an authorization for the lands transfer, it does not obligate the City and County of Honolulu to accept all parcels listed. The Authority intended for its approval to include the complete list of all properties contemplated for future transfer to the City and County of Honolulu. The Authority also understands that such a transfer may take place in phases over a period of time.

The list of HCDA-owned parcels authorized to be transferred to the City and County of Honolulu is summarized below. Full descriptions of each parcel, along with encumbrances and maps are attached as part of Exhibit B – Staff Report.

KAKAAKO BUSINESS

I. CALL TO ORDER/ROLL CALL

A regular business meeting of the Kakaako Members of the Hawaii Community Development Authority ("Authority" or "HCDA"), a body corporate and a public instrumentality of the State of Hawaii, was called to order by Chair Whalen at 9:07 AM, May 2, 2018 at Authority's principal offices at 547 Queen Street in Honolulu, Hawaii, 96813, pursuant to Article IV, Section 1 of the Authority's Bylaws.

Members Present: 1. Beau Bassett
2. Mary Pat Waterhouse
3. Wei Fang
4. Jason Okuhama
5. Mark Anderson (B&F Ex-officio)
6. David Rodriguez (DOT Ex-officio)
7. John Whalen

Members Absent: Phillip Hasha
William Oh
Kathy Sokugawa (DPP non-voting)

Others Present: Garett Kamemoto, Interim Executive Director
Deepak Neupane, Kakaako Planning and Development Director
Lindsey Doi, Asset Manager
Francine Murray, HCDA Program Specialist
Tommiya Scares, Secretary
Lori Sunakoda, Deputy Attorney General
Max Levins, Deputy Attorney General
II. APPROVAL OF MINUTES
The minutes for the March 7 and April 4, 2018 Kakaako meetings were approved as presented.

III. INFORMATION AND DISCUSSION
Affordable Rental Housing Task Force Report
Chair Whalen stated that a report will be presented at the June 2018 meeting and reminded board members that this task force was formed to address some of the challenges facing the Affordable Rental Housing Market and include Members Fang, Whalen, Hasha and Okuhara.

IV. ACTION ITEMS
Shall the Authority Authorize the Land Transfer of Various HCDA Park Parcels, Remnant Roads, and the Children’s Discovery Center in the Kakaako Community Development District to the City and County of Honolulu?

The Authority anticipates convening an executive meeting pursuant to HRS § 92-5 (a)(4), to consult with the Board’s attorneys on questions and issues pertaining to the Board’s powers duties, privileges, immunities and liabilities relating to the above item.

Ms. Lindsey Doi presented the staff report provided in the board packet and explained that HCDA is interested in transferring its park assets and remnant roads throughout Kakaako to the City and County of Honolulu so that they will be more efficiently managed and maintained by the City’s existing departments. The City is agreeable to the transfer provided the HCDA continue to fund all park maintenance services until the end of fiscal year 2019 while HCDA assists in this transition. Ms. Doi referred to the Exhibits in the board packet that include a summary of the transfer and the map parcels that will be transferred.

Member Waterhouse asked that staff confirm the Kakaako Parks will remain zoned as parks.

Mr. Garett Kamemoto responded and stated that under the Parks current zoning rules, any change to the zoning, development permits or other requests will still require HCDA board approval.

Member Bassett asked what will the status of the Mauka and Makai Masterplans be if the parks transfer to the City?

Ross Sasamura, Director and Chief Engineer of the City and County of Honolulu’s Facilities and Maintenance Department expressed his appreciation to the board for the opportunity to transfer the Kakaako park and remnant road parcels so the City may maintain the parks. He stated the City and County will respect the authority that the HCDA board and the HCDA has over zoning and the controls that it retains regarding land use; however, as far as specific questions regarding plans for specific parcels or
park plans the City will definitely review the Masterplan that HCDA has finalized but that if there are any changes that need to be made in contrast to the way the City maintains its park it will certainly make some amendments, however the City does understand that HCDA has conducted extensive work on the Masterplan and will take that into consideration if changes are required.

Member Fang stated that the process for the HCDA Masterplan included a lot of the community’s wishes and desires for Kakaako and suggests the City review the Masterplan and also gather community input before any necessary changes are made.

Mr. Sasamura reassured Member Fang that the City and County of Honolulu does have a similar process with community input that any other government entity has regarding community input and notices requirements.

Chair Whalen noted one of the issues that have been a concern is whether the parking will remain free for park users.

Mr. Sasamura explained that the City had already reported to the media that the City does not intend to install parking meters at this time.

Member Bassett asked if the City's Enterprise Services will manage the Children's Discovery Center parcel?

Mr. Sasamura explained that he is unsure how the Department of Enterprise Services is included in discussions; however, the Department of Parks and Recreations will take the lead in managing these park parcels.

Member Waterhouse asked if the City has any plans regarding the Maintenance Shed. Mr. Sasamura responded that the City does not intend to alter any existing leases.

There were no comments or questions from board members.

**Public Testimony**
Chair Whalen noted the written public testimonies that were received in support

Member Bassett motioned for the board to enter executive session

Member Okuhama seconded.

Chair Whalen conducted a voice vote, all members unanimously approved.
Deputy Attorney General Lori Sunakoda and Max Levins, HCDA staff Garrett Kamemoto, Lindsey Doi Leaverton and Tommilyn Soares joined the board in executive session.

Pursuant to Section 92-5 (a) (2), Hawaii Revised Statutes, the Authority convened in Executive Session at 9:54 AM

Board Members met in an executive meeting from 9:54 AM – 10:18 AM.

Chair Whalen reconvened the meeting at 10:18 AM

**MOTION**
Member Anderson motioned for the board to authorize the land transfer of various HCDA park parcels, remnant roads, and the Children’s Discovery Center in the Kakako Community Development District, as described in the HCDA staff report, to the City and County of Honolulu.

Member Okuhama seconded.

Member Waterhouse stated she would vote in favor because this transfer would be a benefit for the public; however, she does have some concerns.

Ms. Doi conducted the roll call vote. Motion passed with 7 yes votes and two excused.

**IV. INTERIM EXECUTIVE DIRECTOR REPORT**
Monthly and Status report on the following:

a. Approved permit applications that did not require HRS § 206E-5.6 public hearings.

Garrett Kamemoto referred to the report provided in the board packet.

There were no further comments or questions and no public testimony.

**V. ADJOURNMENT**

Chairperson Whalen adjourned the regular meeting at 10:26 AM.

HCDA Board Members:

SUBJECT: Shall the Authority Authorize the Land Transfer of Various HCDA Park Parcels, Remnant Roads, and the Children’s Discovery Center in the Kakaako Community Development District to the City and County of Honolulu?

SUMMARY:
The HCDA is interested in transferring its park assets and road remnants throughout Kakaako to the City and County of Honolulu. This would not only drastically reduce HCDA expenditures, but would also cause the parks and subject roads to be more efficiently managed and maintained by the City’s existing departments. The City is agreeable to the transfer, provided the HCDA continues to fund all park maintenance services until the end of fiscal year 2019 and assists in the transition.

BACKGROUND:
The HCDA developed Kewalo Basin Park, Kakaako Waterfront Park, and Gateway Park in 1990, 1992, and 1998; respectively. These 41 acres of park lands were intended to be transferred and dedicated to the City and County of Honolulu shortly after their development, as the HCDA was not created with a park management function. However, the transfer never occurred, and the HCDA has managed the parks through a series of contracts for the past two decades.

Initially, the HCDA contracted with the state Department of Land and Natural Resources to manage the Kakaako Makai Parks; however, the reduction in force eliminated those agreements in 2009. Since then, the HCDA has managed the maintenance of its parks through half a dozen contracts worth approximately $640,000 annually. When factoring in utility payments for electricity and water/sewer, the total cost to operate and maintain HCDA’s parks in Kakaako totals over $1 million each year.

Some of these costs are offset by several revenue-generating parcels currently zoned for park use located in Kakaako Makai. These parcels include the following:

1. Ohe St. Parking Lot
2. Look Lab Lot
3. Wastewater Lot
Together, these parcels generate roughly $17,000 monthly for the HCDA's asset management functions. However, this is still insufficient to sustain the expenditure of roughly $83,000 monthly to maintain and manage the Kakaako Makai parks through HCDA's contracted vendors.

The Kakaako Makai parcels contemplated for transfer to the City are identified in Exhibits A and B. These parcels include all of HCDA's Kakaako Makai Parks, certain revenue generating parcels listed above, and the Children's Discovery Center.

In addition, the HCDA also intends to transfer 53 remnant road parcels throughout the Kakaako Community Development District. These remnants were acquired as the result of Community Improvement District Projects implemented by the HCDA over the past 20+ years. Three of the roads are located in Kakaako Makai (Ohe, Olomehani, and Ahui Streets). All others are located in Kakaako Mauka and include remnants as small as 23 square feet in size up to entire streets. Theses remnant parcels involve right-of-ways, shoulder areas, and remnant lands along property boundaries.

As the HCDA has never staffed a road or sidewalk maintenance department, the City and County of Honolulu has managed and maintained these remnant roads and parcels under their existing departments. A transfer of these remnants to the City will not have a noticeable impact on the general public, as the City would continue to maintain the remnant parcels. A summary and map of the remnant parcels are attached hereto as Exhibits C and D.

The HCDA and City previously executed an ROE for the maintenance of Ohe Street, Olomehani Street, and Ahui Street. The City continues to maintain these roads and sidewalks and enforce all City ordinances on these properties under the ROE.

Since the HCDA was also never created or intended to manage and maintain parks, the HCDA does not have a parks maintenance department, adequate staff, or resources to fulfill such a role. In contrast, the City has multiple departments with hundreds of employees possessing a wealth of skills to manage public resources.

The City and County of Honolulu’s Department of Parks and Recreation oversees the management, maintenance, and operation of about 300 public parks across Oahu with a staff of 750 employees.

The City and County of Honolulu’s Department of Enterprise Services is responsible for the rental of all city facilities and equipment, including the Blaisdell Center and Waikiki Shell. It also oversees the management of the Honolulu Zoo and municipal golf courses.

The City and County of Honolulu’s Department of Facilities Maintenance maintains all city roads, streetlights, bridges, streams, city buildings and office facilities, city vehicles and heavy equipment, mechanical/electrical/electronic equipment for parks, and facilities for parks. This department also provides property management services and security for other City properties.

These three City departments easily possesses the requisite knowledge and experience to maintain and operate HCDA's parks and roadways in Kakaako Makai. Given their resources
and expertise, these City departments would also likely be able to lower costs and maintain and manage HCDA’s parks and roads more efficiently.

In March 2018, the HCDA and the City discussed entering into a short-term Right of Entry agreement for the unencumbered park parcels. This ROE would give the City jurisdiction over the subject park parcels to allow City laws and rules to be enforced by the Honolulu Police Department. This ROE was executed between HCDA and the City in late April 2018.

On April 4, 2018, the HCDA board agreed to continue funding the maintenance and service contracts for the HCDA parks in Kakaako Makai until June 30, 2019 in the event the City assumes the management of these parks. This will allow adequate time for the City to seek funding and positions to maintain the parks starting in fiscal year 2020. The City has committed to ensuring the park properties are maintained as public park lands, as all lands would still be subject to HCDA’s zoning regulations as part of the Kakaako Community Development District. No development would be allowed without the proper approvals, permits, and public hearings that the HCDA requires.

ANALYSIS:

The HCDA will continue collecting lease rent on the three revenue generating properties until June 30, 2019 to further offset the maintenance cost for the park properties. Upon the start of fiscal year 2020, all leases for revenue generating parcels will be transferred to the City, and the City will assume all maintenance contracts and management expenditures for the subject parcels.

The Governor and Mayor were instrumental in bringing all sides together to discuss the transfer of HCDA’s Kakaako Makai park lands and road remnants. This transfer would relieve the HCDA of the fiscal burden of operating and maintaining the parks, and it would also benefit the people of Oahu, as the parks and roads would be more appropriately managed under the City and County of Honolulu.

The Ala Moana - Kakaako Neighborhood Board No. 11 met on April 24, 2018, and heard a presentation from HCDA on the proposed land transfer. A few members of the community expressed concerns with what the city was doing at Ala Moana Regional Park. Neighborhood Board members did not express concerns with the proposed land transfer.

The City has previously told the HCDA that the Department of Parks and Recreation will seek public input before making any material changes. They City has also committed to working with area stakeholders and community groups to ease the transition.

The actual land transfer is expected to take place in multiple stages. The first would involve the transfer of all parks in Kakaako Makai, Look Lab, Wastewater Lot, Ohe St. Parking Lot, plus Ohe, Olomehani, and Ahui Streets. A second transfer would involve the parcels in Kakaako Mauka, including Mother Waldron Park and all remaining remnant roads as noted in Exhibit E.

These remnant roads represent liabilities for the HCDA, as unlike the City, the HCDA does not have the staff or resources to properly maintain them. Transferring ownership of these roads...
remnants would not result in any noticeable change for the public, other than better maintenance of roads and sidewalks.

The HCDA Board has already approved a resolution to transfer these parcels to the city during the last two legislative sessions.

Honolulu City Council Resolution 18-91 was introduced by Councilmembers Carol Fukunaga and Ann Kobayashi on April 24, 2018, urging the City Administration to “include, as part of its negotiations and discussions with the Hawaii Community Development Authority ... the transfer of the parcel on which the Children’s Discovery Center is located.”

The resolution notes “the Council believes that the transfer of the CDC parcel (and its corresponding lease) to the City in conjunction with the Kakaako Makai Park lands, would enhance the City’s ability to revitalize the Kakaako Makai area, and to facilitate an environment in which public resources and the fostering of educational activities for keiki and their families, and their extended families, would be more closely aligned.”

While there is no current agreement on the CDC parcel, HCDA staff believes it is prudent to authorize the transfer should an agreement be reached in the future.

In summary, is in the public’s best interest to facilitate the transfer of these parcels as quickly as possible.

RECOMMENDATION

HCDA staff recommends that the Board:

Authorize the Land Transfer of Various HCDA Park Parcels, Remnant Roads, and the Children’s Discovery Center in the Kakaako Community Development District to the City and County of Honolulu.

Respectfully submitted,

Lindsey Doi
Asset Manager

2. Road Remnants (see attached map)

   The 53 subject parcels involve right-of-ways or portions of right-of-ways and include
eadways, road shoulder area (some of which can support street parking), and remnant lands
along property boundaries. The subject parcels range in size from 23 square feet to 141,483
square feet and vary in shape. The subject parcels are improved with traditional right-of-way
improvements including but not limited to: asphalt paving, concrete sidewalks and curbs,
overhead street lights, traffic lights, parking meters, street signs, and underground utilities.
URGING THE CITY ADMINISTRATION TO INCLUDE, AS PART OF ITS NEGOTIATIONS AND DISCUSSIONS WITH THE HAWAII COMMUNITY DEVELOPMENT AUTHORITY REGARDING THE TRANSFER OF THE AUTHORITY'S PARK LANDS IN KAKA'AKO MAKAI TO THE CITY, THE TRANSFER OF THE PARCEL ON WHICH THE HAWAII CHILDREN'S DISCOVERY CENTER IS LOCATED (IDENTIFIED AS TAX MAP KEY NO. 2-1-060: 017), AND THE CENTER'S CORRESPONDING LEASE.

WHEREAS, the Hawaii Community Development Authority ("HCDA") developed Kewalo Basin Park, Kaka'ako Waterfront Park, and the Gateway (Makai and Mauka) Parks (collectively as "Kaka'ako Makai Park lands") in 1990, 1992, and 1998, respectively; and

WHEREAS, the Kaka'ako Makai Park lands (approximately 41 acres) were intended to be transferred and dedicated to the City and County of Honolulu ("City") shortly after their development; and

WHEREAS, however, the transfer of the Kaka'ako Makai Park lands never occurred, and the HCDA has since managed the parks through a series of costly contracts; and

WHEREAS, in recent years, Oahu's growing homeless population has adversely affected the public's ability to enjoy the Kaka'ako Makai Park lands and has continued to burden the HCDA with costly repairs of the facilities and infrastructure therein; and

WHEREAS, the HCDA, however, was not intended to manage the Kaka'ako Makai Park lands for long-term public recreational, educational, and open space uses; and

WHEREAS, the City Administration, on the other hand, possesses the requisite knowledge and experience to maintain and manage the Kaka'ako Makai Park lands; and

WHEREAS, currently, the City Administration is in discussions/negotiations with the HCDA to transfer the Kaka'ako Makai Park lands to the City beginning in July of 2018; and

WHEREAS, the HCDA also leases a parcel (identified as Tax Map Key No. 2-1-060: 017) that it owns, abutting Kaka'ako Waterfront Park and Gateway Makai Park, to the Hawaii Children's Discovery Center ("CDC"); and

WHEREAS, the CDC provides a world-class, interactive, participatory learning environment that has been described in the organization's website as follows:
RESOLUTION

1. Designed to inspire the young and "young-at-heart" to new heights of learning and discovery; and

2. Encourages children to use their senses of touch, sight, hearing, and smell to gain a better understanding of the world around them; and

WHEREAS, since its establishment at this site in 1998, the CDC has pursued a mission of creating an inspiring environment with educational activities for Hawaii's families through numerous high-tech, interactive exhibits designed to help children develop a positive outlook and promote understanding of others in a multicultural society; and

WHEREAS, the CDC has served as a model for children's museums in other American communities and inspired Chinese philanthropist Niu Gensheng to create the Laoniu Children's Discovery Museum in China to advance the informal learning model approach in Hawaii's Discovery Center into a network of children's museums being developed in China; and

WHEREAS, the Council believes that the transfer of the CDC parcel (and its corresponding lease) to the City, in conjunction with the Kakaako Makai Park lands, would enhance the City's ability to revitalize the Kakaako Makai area, and to facilitate an environment in which public resources and the fostering of educational activities for children and their families, and their extended families, would be more closely aligned; now, therefore,

BE IT RESOLVED by the Council of the City and County of Honolulu that the City Administration is urged to include, as part of its negotiations and discussions with the Hawaii Community Development Authority regarding the transfer of the Authority's park lands in Kakaako Makai to the City, the transfer of the parcel on which the Hawaii Children's Discovery Center is located (identified as Tax Map Key No. 2-1-060: 017), and the Center's corresponding lease; and
RESOLUTION

BE IT FINALLY RESOLVED that copies of this resolution be transmitted to the Mayor, Managing Director, Director of Parks and Recreation, Director of Facility Maintenance, and Director of Enterprise Services.

REPORT ON HCDA LANDS ANTICIPATED TO BE TRANSFERRED TO THE CITY AND COUNTY OF HONOLULU

Introduction
This report is submitted in compliance with Resolution 18-149, CD1 which requests the Hawaii Community Development Authority (HCDA) provide the Honolulu City Council with a report not later than December 31, 2018 on the expenses and revenues related to the operations of HCDA park lands; and on any terms, conditions or covenants that run with the HCDA Lands that may place duties or obligations upon the City and County of Honolulu.

The HCDA developed Kewalo Basin Park, Kakaako Waterfront Park and Gateway Park in 1990, 1992, and 1998 respectively. The 41 acres of parks lands were intended to be dedicated to the City and County of Honolulu shortly after their development. On May 5, 2018, the HCDA’s board approved the transfer to certain Kakaako Makai lands to the city.

Likewise, HCDA board approved the transfer of 53 remnant road parcels to the city that were acquired because of Improvement District projects over more than 20 years that widened streets, improved drainage, and improved utilities in the Kakaako district. See a list of the parcels in Exhibit A, attached.

The city and HCDA negotiated terms of a transfer where HCDA would continue to fund park maintenance, security and landscaping contracts until June 30, 2019 to assist with the transition.

Expenses and Revenues Related to the Operation and Maintenance of HCDA Lands
At the request of the city administration, HCDA’s board voted to continue to pay for the operations and maintenance of the parcels, to be transferred, until June 30, 2019. Operation and maintenance costs include landscaping, security, janitorial, utility, and waste disposal costs. For fiscal year 2018, these costs totaled $690,875.

Operation and maintenance is monitored by a single HCDA employee who spends only part of the day on park issues. We estimate roughly $50,000 of his salary is attributable to park issues.

HCDA realized revenue on properties by leasing out space for parking to the University of Hawaii John A. Burns School of Medicine, and for the use of two park parcels to PASHA Hawaii, Reuse Hawaii, and Ocean Investments totaling $239,410, partially offsetting the cost of operations and maintenance.

A detailed breakdown of expenses and revenues is attached as Exhibit B.

Existing Terms and Conditions, or Covenants that Run with HCDA Lands Zoning
Existing terms and conditions that run with HCDA lands include the current zoning as adopted in Hawaii Administrative Rules (HAR) §15-23, Kakaako Community Development District Rules for the Makai Area. Portions of the park lands are zoned for Park, Mixed Use and Waterfront Commercial. At the time the HCDA voted to authorize the land transfer to the city, representatives from the city assured HCDA that it would continue to have zoning control over land use. The Makai area zoning is outlined in Exhibit C, attached.

NOTICE OF VIOLATION

VIOLATION NUMBER: NOV 02-2018

DATE OF ORIGINAL NOTICE: December 13, 2018

VIA: CERTIFIED MAIL
RETURN RECEIPT REQUESTED

OWNER: Calvert Chun
Cedric Chun
Kakaako Land Company, LLC
1054-A Alewa Drive
Honolulu, Hawaii 96817

The Owners purport to own all or portions of Cummins, Kawaiahao, Clayton, Queen, and Ilaniwai streets within the Kakaako Community Development District (KCDD). Portions of these streets are being used for parking and the owners are charging a parking fee, see Exhibit-A attached.

Legislative Act 009 of the 2018 Session Laws of Hawaii requires that “any owner or owners who charge a fee for the use of all or any portion of a private street, highway, or thoroughfare that is located within the Kakaako community development district and used continuously by the general public for a period of not less than six months, shall be responsible for the costs of conforming and maintaining that private street, highway, or thoroughfare to meet the construction and maintenance standards established for county highways, pursuant to section 46-1.5(19)(A) and section 265A-1 by the county in which the development district is located.”

Cummins, Kawaiahao, Clayton, Queen, and Ilaniwai Street owned by the Kakaako Land Company LLC, do not conform to and are not maintained to meet the construction and maintenance standards established for county highways, pursuant to Hawaii Revised Statutes (HRS), Section 46-1.5(19)(A) and Section 265A-1 by the county in which the development district is located, see Exhibit-B attached.

These streets are used continuously by the public for a period of no less than six months. Therefore, pursuant to Legislative Act 009 of the 2018 Session Laws of Hawaii, charging a fee for use of a portion of these streets for parking is a violation and charging for parking on each individual street constitutes a separate instance of violation.
Applicable Law: Legislative Act 009 of the 2018 Session Laws of Hawaii

Location of Violations: Cummins, Kawaihao, Clayton, Queen, and Ilaniwai Streets

Tax Map Key: Not Applicable

Date of Inspection: November 28, 2018; December 10, 2018

How to Correct Violations: Cease charging a fee for parking on the streets listed above until the streets are made to conform to and are maintained to meet the construction and maintenance standards established for county highways, pursuant to HRS Section 46-1.5(19)(A) and Section 265A-1.

Deadline to Correct Violations: January 14, 2019

Fine if Not Corrected: $500.00 per day per violation
