Mr. Kamemoto, Interim Executive Director referred to the report included in the board packet and explained the options available is whether the board itself would like to conduct the proceedings for the Kakaako Land Company LLC’s petition for a contested case hearing or if a hearings officer is preferred.

Deputy Attorney General Sunakoda explained if the board selects a hearings officer, that hearings officer would function in the same role as the Board Chair and Board members.

There were no questions from board members.

PUBLIC TESTIMONY

Mr. Bob Emami, Kakaako community resident and business owner stated that the Kakaako Land Company is bullying customers and businesses with towing cars on Kakaako streets claimed to be owned by the Kakaako Land Company. He urged HCDA hold Kakaako Land Company to its obligation under ACT 009. Mr. Emami believes that HCDA helped to contribute to this problem by issuing a 2010 Right of Entry that states Kakaako Land Company owns these roads and strongly urged HCDA to fix this problem.

Chair Whalen acknowledged written testimonies received by Michael McDonald, Judith Emami, Speaker Scott Saiki, Senator Moriwaki, Council Members Fukunaga and Kobayashi that advocate for the enforcement of Act 009.
Senator Moriwaki stated that the law passed allows for enforcement to companies claiming to own private roads in Kakaako if roads are not repaired or fixed, who charge for parking. Senator Moriwaki urged that HCDA process this contested case hearing expeditiously.

Speaker Saiki requested the contested case hearing process be expedited. As stated, Kakaako Land Company is attempting to establish title over a portion of Waimanu street as well as Clayton street and urged an expeditious process to this contested case hearing.

Chair Whalen asked Speaker Saiki and Senator Moriwaki if they would recommend a hearings officer to conduct these proceedings.

Speaker and Senator Moriwaki both recommended a hearings officer to assist in expediting this proceeding.

Member Basset asked if the board votes for a hearings officer how long does staff anticipate securing a hearings officer?

Mr. Kamemoto responded that would need to be discussed with the Attorney General.

Speaker Saiki recommended HCDA utilize the Department of Commerce and Consumer Affairs, Office of Administrative Hearings, Hearings Officer.

Member Sokugawa asked what the rules are regarding these contested case hearings?

Mr. Kamemoto explained that the first step to conducting proceedings for a contested case hearing is for the board to provide direction on retaining a hearings officer to conduct the hearing/proceedings or whether the board would conduct the proceedings themselves.

Deputy Attorney General Max Levins added that per the rules, HCDA is required to publish in a state-wide newspaper at least 30 days-notice of a scheduled hearing.

Mr. John Kobelanski, resident of Kakaako noted the conditions of the Kakaako streets make it very difficult for the pedestrians as well as the handi-capable pedestrians to walk in. He also stated that the residents and businesses in Kakaako should not have to deal with the “sharks” in the community.

Mr. Chuck Garner, Kakaako business owner explained that parking is premium in Kakaako. The towing companies working with Kakaako Land Company are being paid cash and noted that as a businessman, the Kakaako Land Company is not being assessed for property tax nor General Excise Tax and asked how that is possible if they are claiming to own some of the streets in Kakaako and believes there is ground for open investigations.

Ms. Mai Frascharelli of the Kakaako Shell Gas station on the corner of Queen street and Ward street, explained that she also has the same issues as the previous testimonies that were provided with regard to the towing in Kakaako that is being conducted by the Kakaako Land Company.
She noted that it makes it very difficult to conduct business in Kakaako and urged the HCDA to please help the area businesses by enforcing Act 009.

Member Hasha motioned for the board to enter executive session. Member Rodriguez seconded.

All members unanimously approved entering into executive session at 10:15 am.

  a. Approved permit applications that did not require HRS § 206E-5.6 public hearings.

Mr. Kamemoto explained that the Right of Entry for the Kakaako Parks to the City and County of Honolulu has been extended and also the final date of the land transfer. There are a few issues that are pending completion and the HCDA staff expects the transfer will be completed by the end of the fiscal year.

Member Waterhouse noted the attachment letter to the report sent in by the Department of Public Safety’s request to extend it’s lease for the Keawe Street building and reminded staff and the board of the Collier’s report which recommends HCDA explore its options to increase the lease rent for that premium property in Kakaako.

Mr. Kamemoto acknowledged Member Waterhouse’s comments and noted that staff does understand the board’s financial task force recommendations and reminded the board that any leases for this property will come before the board for its approval.
