City Center Guideway and Stations portion of the Honolulu Rail Transit Project.

II. Asset/Land/Property Management

In January 2026, one request for Subordination of Equity Sharing Payment Agreement was received and is pending further action. This would allow the reserved housing unit owners to obtain a second mortgage.

In January 2026, there were three requests to sell a reserved housing unit during its regulated term, which triggers HCDA’s option to buy back the unit. Two of these units are in Ulana Ward Village, and one is in Aalii Ward Village.

In January 2026, the HCDA proceeded with the buyback of another reserved housing unit at Ulana Ward Village. That transaction is being handled by the Hawaii HomeOwnership Center (HHOC). HHOC recently opened escrow to purchase that unit from the original owner and plans to resell it under HHOC’s affordable housing program to another qualified buyer.

In January 2026, no Release of Unilateral Agreements were executed. Three requests for Unilateral Release were received and are pending further action.

In January 2026, there were 20 inquiries relating to Reserved Housing Rules and Regulations.

Kolowalu Dog Park

Effective Monday January 12, 2026, HCDA updated the park hours for both the large and small dog parks as follows:

Open 6:00 AM to 9:00 PM Daily

Closed 10:00 AM to 3:00 PM Every Monday for Park Maintenance

The weekly park closure times were decided based on feedback from community members and HCDA's landscape maintenance contractor. The full closure will provide several hours for our landscaper to completely test the irrigation systems and make necessary repairs without interference from the public. HCDA staff will monitor the new schedule and determine if any adjustments need to be made based on effectiveness and community feedback.

Right of Entry and License Agreements

There were 14 active Right of Entry (ROE) and/or license agreements through January 2026. See Exhibit A.
