

HECO 25KV Electrical Regional Upgrade

COURTESY NOTICE FOR HECO ELECTRICAL WORK ON QUEEN STREET – WAIMANU STREET TO ALA MOANA BOULEVARD

As required by HECO, Ward Village contractors will be installing additional electrical circuits along Queen Street starting from Waimanu Street, down Queen Street and Queen Lane terminating on Ala Moana Boulevard. All construction work will be conducted within the utility easement and in road right of ways. To minimize traffic and pedestrian impacts this regional electrical work will be phased.

This effort is anticipated to commence in October 2025 with a forecasted completion in January 2027. Area residents and patrons should anticipate intermittent drive lane and/or temporary sidewalk closures for the duration of this regional electrical upgrade. This work is being performed in accordance with and approval from the C&C of Honolulu and HECO. Construction is permitted and scheduled to occur Monday through Friday from 7:00 am to 3:30pm. No holiday construction work is permitted. For additional information or requests to be added to schedule updates, please email: communityimprovements@wardvillage.com or call (808) 735-7467 to report any concerns.

WARD VILLAGE.
