### PUBLIC NOTIFICATION

#### Notice of Geotechnical Boring Activities

June 1, 2026

**To:** Residents and Businesses

**Subject:** Geotechnical Investigation for Iwilei-Kapālama Electrical Infrastructure Project

Please be advised that geotechnical boring activities will be conducted on North King Street near Iwilei Road on **June 4**, weather permitting.

#### **Purpose of the Investigation:**

This investigation is being conducted to gather subsurface soil and rock information for the purpose of the Iwilei-Kapālama Electrical Infrastructure Project. The data collected will be used to determine the appropriate design and ensure the safety and stability of the project.

#### **Activities:**

The geotechnical investigation will involve drilling small-diameter boreholes using a **small vertical drill rig in parking lanes where feasible**. Soil and rock samples will be collected for laboratory testing.

#### **Location and Schedule:**

- **Location:** Along N. King St. from Dillingham Blvd. to Kokea St.
- **Dates:** Approximately **June 4, 2026** (weather dependent)
- **Hours of Operation:** 8:30am-3:30pm

#### **Potential Impacts:**

- Temporary noise from drilling equipment.
- Temporary presence of drilling equipment and support vehicles.
- Potential minor traffic disruptions in the immediate vicinity of the boring activities.
- Minimal dust generation.

**Safety Precautions:**

- All work will be performed by licensed and experienced professionals.
- Safety cones and/or barriers will be used to delineate work areas.
- Please exercise caution when near the work site and follow any posted signage or directions from on-site personnel.

**Contact Information:**

For questions or concerns, please contact:

- Dodge Watson, Community Liaison, Honua Consulting
- (808) 230-0796
