

NOTICE OF PUBLIC HEARING
(for consultation on housing needs)

Pursuant to 24 CFR Part 91, notice is hereby given that the Hawaii Housing Finance and Development Corporation (HHFDC), Department of Business, Economic Development and Tourism, State of Hawaii, will prepare an Annual Action Plan (AAP) for Program Year 2017-2018 (PY2017), as part of the Consolidated Plan (CP) process. In preparation for this AAP, the State will consult with local governments and residents at public hearings to be held on Thursday, October 13, 2016 at 10:00 a.m. at the West Hawaii Civic Center, 74-5044 Ane Keohokalole Highway, Mayor's Conference Room, Kailua-Kona, Hawaii, and on Friday, October 14, 2016 at 10:00 a.m. at the County of Hawaii's Office of Housing and Community Development, Existing Housing Conference Room, 1990 Kinoole Street, Hilo, Hawaii.

The CP's purpose is to ensure that jurisdictions receiving federal assistance plan for the housing and related needs of low- and moderate-income families in a way that improves the availability and affordability of decent, safe, and sanitary housing in suitable living environments. To receive funding under certain U.S. Department of Housing and Urban Development (HUD) programs, the State must have a housing strategy that has been approved by HUD.

The AAP describes the State's funding plans for the coming program year and certifies program compliance with the CP, HOME Investment Partnerships (HOME), National Housing Trust Fund (HTF), Emergency Solutions Grant (ESG), and Housing Opportunities for Persons with AIDS (HOPWA) programs. These HUD programs provide funding to expand the supply of affordable housing for low- and moderate-income families, restrict increases in homelessness, and provide preventative programs and activities for the homeless in the State.

The State anticipates receiving approximately \$3,000,000 in HOME funds in PY2017. In accordance with HHFDC's allocation policy, the County of Maui is scheduled to receive the PY2017 HOME allocation to meet its affordable rental housing and homeownership objectives. The State anticipates an estimated \$3,000,000 in HTF funds in PY2017, intended to increase and preserve the supply of decent, safe and sanitary affordable housing for extremely low-income households, including homeless families. Under its HTF Allocation Plan, HHFDC will allocate 50% to the City and County of Honolulu and 50% to the County of Maui. In addition, approximately \$400,000 in funding under the ESG program is expected, to assist persons and families who are living on the streets or emergency shelters into stable, permanent housing, and approximately \$200,000 in funding for the HOPWA program to provide housing assistance and support to persons with HIV/AIDS. HOME, ESG and HOPWA funding will be for use primarily in the Counties of Hawaii, Kauai and Maui.

Copies of an informational packet describing the HOME, HTF, ESG and HOPWA programs are available for public viewing at regional libraries and on the HHFDC's website at <http://hawaii.gov/dbedt/hhfdc>.
