

STATE OF HAWAII
CITIZEN PARTICIPATION PLAN

In 1995, the U.S. Department of Housing and Urban Development (HUD) consolidated into a single submission the planning and application aspects of the Community Development Block Grant (CDBG), HOME Investment Partnerships (HOME), Emergency Shelter Grant (ESG), and Housing Opportunities for Persons with AIDS (HOPWA) formula grant programs with the requirements of the Comprehensive Housing Affordability Strategy (CHAS). The consolidated submission replaced the CHAS and formula grant programs application process. In 2016, HUD implemented its National Housing Trust Fund (HTF) program. The State's Hawaii Housing Finance and Development Corporation (HHFDC) assumed the lead role in developing the Consolidated Plan (CP), and incorporated the HTF program into its CP and subsequent annual action plans.

The consolidated planning process requires the State to follow a Citizen Participation Plan which describes the State's policies and procedures for citizen participation in the administration of the HOME, HTF, ESG, and HOPWA Programs or other HUD formula grant programs. The following presents the State's Citizen Participation Plan and incorporates the new HTF program.

A. Applicability and Adoption of the Citizen Participation Plan

1. Adoption of the Citizen Participation Plan

The State adopted a citizen participation plan on May 11, 2000; amended in August, 2004; amended in October, 2005; amended in September, 2006; amended in December, 2010; and is being amended in March 2018 to include the HTF program. The citizen participation plan sets forth the State's policies and procedures for citizen participation.

2. Encouragement of Citizen Participation

Citizens are encouraged to participate in the development of the CP and any substantial amendments to the CP, and the Performance Report. The involvement of citizens who may be affected by HOME, HTF, ESG, HOPWA, or other HUD formula grant program funded activities is encouraged, particularly low- and moderate-income persons living in slum and blighted areas and neighborhoods that are predominantly comprised of low- and moderate-income households.

3. Citizen and Local Government Comment on the Citizen Participation Plan and Amendments

Prior to the adoption of substantial amendments to the Citizen Participation Plan, the State will notify the public and units of general local government of the availability of a thirty (30) day comment period on proposed substantial amendments to the Citizen Participation Plan. A public notice will be published in a newspaper(s) of general circulation, posted on the HHFDC's website at www.hawaii.gov/dbedt/hhfdc, and disseminated to depository libraries and the county housing agencies in order to solicit input on substantial amendments to the Citizen Participation Plan. (Exhibit A)

The public notice will provide the following information:

- a. A summary of the proposed amendments to the Citizen Participation Plan;
- b. Where copies of the draft Citizen Participation Plan are available for public viewing or may be obtained;
- c. The deadline for submitting public comments;
- d. How persons with special needs may request reasonable accommodations to participate (e.g., large print, taped materials, sign language interpreter, or translator for non-English speaking participants) at least seven (7) business days prior to the end of the public comment period; and
- e. Phone numbers for interested citizens to call if they have questions.

A reasonable number of free copies will be made available upon request by contacting the HHFDC.

B. Development of the Five Year Consolidated Plan

1. During the development of the CP, the State will consult with other public and private agencies that provide assisted housing, health services, social services, and local governments during the preparation of the CP. The State, in collaboration with the counties, will conduct at least one public hearing in each county to obtain the views of citizens on housing and homeless needs in their counties to be considered in the development of the CP.

At least fourteen (14) days prior to the public hearing(s), a public notice will be published in a newspaper(s) of general circulation; posted on the HHFDC's website at www.hawaii.gov/dbedt/hhfdc; and disseminated along with informational packets to the depository libraries and county housing agencies (Exhibit B).

E. Amendments to the Consolidated Plan

1. Criteria for Amendment to the Consolidated Plan

Changes or amendments to the CP will occur if the State determines any change to be substantial. A substantial change includes a change in the method of distributing HOME, HTF, ESG or HOPWA funds; changes in allocation priorities from a “high” or “medium” priority need level to a “low” priority need level or vice versa; a decision to carry out an activity not previously described in the action plan; and a change of purpose, scope, location, or beneficiaries of an activity. A re-distribution of funds, the total of which is no greater than 25% of the State’s annual grant amount received from HUD, from one approved activity to another approved activity, shall not constitute a substantial amendment provided that the reason for the re-distribution of funds, as determined by the State in its sole discretion, is to avoid the lapsing of such funds.

2. Public Notice

The State will publish a public notice in a newspaper(s) of general circulation requesting comments on the proposed changes or amendments to the CP which are determined by the State to be substantial in nature. Comments will be accepted by the HHFDC for a thirty-day period.

3. Public Comments

The State will consider any comments or views of Hawaii residents, non-profit entities, and public and private entities in preparing the amended CP. A summary of these comments or views, and a summary of any comments or views not accepted and the reasons therefore, shall be attached to the amended CP.

4. Disasters

An amendment(s) to the CP in response to a disaster will not be considered to be a substantial amendment. Due to the immediate urgency of the disaster situation, the State will publish a notice at a later date to inform its citizens of a reallocation of funds.

F. Availability of the Consolidated Plan to the Public

The State will make available to Hawaii residents, non-profit entities, and public and private entities the Consolidated Plan as adopted, substantial amendments, the Annual Action Plan, and the Consolidated Annual Performance and Evaluation Report.
