

## Waiāhole-Waikāne Community Association

June 20, 2022

Dear Chris,

As we embark moving forward in the Waiāhole Waikāne Lease rent renegotiation process, we want you to know that we have had several sub-committee meetings since January with members within our community and have shared the topic to many.

We've worked diligently on internal topics within the valley and made significant progress. WWCA represents a good portion of its tenants of record who carry the original Agriculture & Residential ground leases. We also represent DHHL and private landowners who share the same interest with our association. We hope that the negotiation process will be honest and with good intentions to deal fairly and negotiate in good faith.

The HUI PONO sub-committee is inviting you and your committee to join our HUI PONO meeting (scheduled dates below) in the near future.

Our open invitation will allow you as well as others to share honest dialogue, practical suggestions and creative ideas that perhaps may be beneficial to all parties involved moving forward.

In closing, and in thanksgiving, we watched and listened to your presentation to the HHFDC board members on June 9, 2022. It was obvious and impressive to witness that HHFDC's board members acknowledges and understands that you are working with us and as Mr. McCartney said, will work with the people in good faith moving forward. For what it is worth, we are sincere and looking forward to a compromised ending. Let's begin that process!

Mahalo nui loa,

*Lucy Salas*

Lucy Salas  
President, WWCA

*Upcoming HUI PONO meetings:*

July 11, 2022

July 25, 2022

August 8, 2022

August 22, 2022

September 6, 2022

September 19, 2022...and the dates go on~
