

Sean Sasaki, Secretary (O'ahu)

Mr. Sasaki has over 20 years of project controls and project management experience and has been involved at all levels of the project lifecycle from proposal to closeout.

He has experience working on U.S. Department of Defense contracts for the Navy, Air Force and Defense POW/MIA Accounting Agency (DPAA) as well as contracts for commercial clients.

He has experience in the fields of environmental construction and remediation, Unexploded Ordinance (UXO) cleanup, fuel storage and distribution systems, facility management/ maintenance and logistics.

His engineering background and varied experience enables him to effectively serve in other roles such as Safety Office, Quality Control and Construction Management.
