												Aloha all! Our hearts are breaking for those impacted by the fires on Maui. We're not certain we can help, but we wanted to share some info about our rental that recently became available and may be a good fit for someone or a family who lost a home and is relocating to Oahu. FYI - my spouse and I own the unit and manage it directly. It is an unfurnished 3 bedroom, 1 bath, 1 parking condo in the Makiki area. All major utilities are included (electricity, gas, water, sewer, trash) in the rent. Tenants are responsible for their own internet/phone service Pets are possible (the Homeowners Association ((HOA)) allows no more than 2 per unit), though we need to go through an approval process to ensure barking and other separation anxiety issues are not a concern. Typically, we require a 1-year lease commitment. However, we are open to considering shorter lease terms, especially for those referred to us via the Hawai'i Fire Relief Housing Program, and can be verified as having a direct loss of housing from the fires. In such cases, an adjusted rental rate will be applied, factoring in the challenges of higher turnover and increased frequency of vacancies. It's important to note that the HOA regulations prohibit rentals for durations shorter than 30 days. Application/screening process involved to verify tenant information and suitability. Don't hesitate to get in touch with me with any questions. Aloha!
