Residents would need to walk across the driveway to the main house to use the shared bathroom and kitchen. Dwelling has a lofted queen bed and twin trundle bed (can accommodate up to 4 people). The room has a small refrigerator, there is also a full refrigerator in the garage/carport. In the main house is a family with young children and a couple of young professionals who live downstairs. We share food costs by all pitching in for Costco groceries. Interested persons can keep their own food if not interested in sharing Costco groceries. We are a Christian community but happy to welcome anyone of different beliefs.	8/15/2023
