In preparation for this AAP, HHFDC will consult with local governments and residents at public hearings to be held in each county. The ConPlan's purpose is to ensure that jurisdictions receiving federal assistance plan for the housing and related needs of low- and moderate-income families in a way that improves the availability and affordability of decent, safe, and sanitary housing in suitable living environments. To receive funding under certain U.S. Department of Housing and Urban Development (HUD) programs, the State must have a housing strategy that has been approved by HUD.

The AAP describes the State's funding plans for the coming program year and certifies program compliance with the ConPlan, HOME Investment Partnerships (HOME), National Housing Trust Fund (HTF), and Housing Opportunities for Persons with AIDS (HOPWA) programs.

For PY2026, the State anticipates receiving approximately \$3,000,000 in HOME funds, for use primarily in the counties of Hawaii, Kauai, and Maui. Approximately \$3,000,000 is anticipated to be received under the HTF program, and approximately \$1,000,000 is anticipated to be received under the HOPWA program, which may be used in any of the counties. These HUD programs provide funding to expand the supply of affordable housing for low- and moderate-income families, reduce homelessness, and provide preventative programs and activities for homeless individuals and families in the State.

An informational packet describing the HOME, HTF and HOPWA programs is posted on HHFDC's website at <http://hawaii.gov/dbedt/hhfdc> and available for public viewing at the following public libraries: Hilo, Island of Hawaii; Lihue, Island of Kauai; Kahului, Island of Maui; Kaimuki, Kaneohe, and Pearl City, Hawaii State Library's Documents Center, and
