## ALOHA IĀ HALEWILIKŌ

Welcome to Aloha Iā Halewilikō, a new 62+ community on the historic Aiea Sugar Mill site. Studio and one-bedroom homes offer comfort and convenience, with the Aiea Public Library next door and shops, and transit just steps away.

Residents can enjoy a fitness center, tech lounge, multi-purpose room with lanai, and community garden. Through our partnership with Lanakila Pacific, wellness programs, digital literacy classes, meal services and more are provided on-site, supported by the EAH Housing Resident Services team.
