

Hale Kama'āina Mortgage Program Lender Trainings & Resources

This document provides lenders with training and resources to navigate the program.

TRAININGS

eHousingPlus Program Trainings

- **Program Training for User Credentials**

Participating Lenders must complete training through eHousingPlus University to receive user credentials and begin working in the eHP Portal, including reserving funds. Participating lenders can register for the training through [this link](#) and select “HI – HHFDC Hale Kama'āina Mortgage Program”.

- **Program Training without User Credentials**

If you are not a Participating Lender, and want to learn more about the Program *before* becoming a participating lender, you may [click here](#) to review the webinar. **Please note:** By viewing the webinar outside of eHousingPlus University, you will **not** receive user credentials. Participating Lenders must be fully approved and onboarded before taking the training through eHousing University and receiving user credentials.

Fannie Mae HFA Preferred Training

- **HFA Preferred Training**

While not required, this training is highly recommended. Lenders can learn the ins and outs of the Fannie Mae HFA Preferred Loan, an exclusive program offered only through HHFDC, because HHFDC is the Housing Finance Agency (HFA) of the State of Hawaii. To view the March 17, 2026, recorded training [click here](#).

RESOURCES

- **eHousingPlus Lender Portal Log-In**

To access the lender portal log-in page, lenders need user credentials.
